### **Give Someone More Holiday Joy. Give Blood.**

Over the holiday season, Canadian Blood Services is working to remind everyone that Canadian patients' need for blood is a constant and they need a gift that can't be bought: blood donations.

In particular there is a significant need for donors at the Brentview Baptist Church on **Saturday, December 31st** between **9am & 1pm** and at Winsport, Markin Macphail Centre on **Monday, January 2nd** between **3pm & 8pm**.

290 blood donors are needed for these clinics alone in order to meet hospital patient demands. Book an appointment at [blood.ca](http://blood.ca) today!
