Who Are We?

NEW HOPE CHURCH

Our Vision

New Hope Church is on an exciting journey, creating and nurturing a community that knows and grows in Jesus Christ, by using creative ways to engage our culture with God's truth.

Our Mission

New Hope believes that God's truth in the bible and His truth in creation complement and enhance one another. It is only by studying both books together that we can begin to understand His vast love.

We will create a community that will help each other and the world recognize God's truth by engaging people where God is already at work in their lives.

New Hope will create opportunities for people to continually discover faith, hope, and love together.
